

Pair of Harts is a dynamic duo blending jazz sophistication with classical, Latin, R&B, pop, and contemporary styles. Their rich arrangements and emotional performances create unforgettable musical experiences.

Bill Hart, two-time Grammy nominee guitarist and composer, brings decades of artistry, six albums, and the acclaimed Solo Jazz Guitar (Hal Leonard). His melodic, genre-crossing style anchors the duo's sound.

Lisa McDowell, classically trained vocalist with a rare four-octave range, has performed nationally and internationally, including with the National Symphony Orchestra of the Dominican Republic. Her powerful, elegant delivery completes their signature sound.

Together, Pair of Harts delivers vibrant, soulful performances perfect for concerts, festivals, and special events.
